### **Job Vacancy – Health Program Manager**

**Job Title:** Health Program Manager

**Location :** Cap Haitien, Haiti

**Supervisor:** Deputy Country Director

**Department:** Program / Health

#### **About Samaritan's Purse**

Samaritan's Purse is a nondenominational evangelical Christian organization providing spiritual and physical aid worldwide. Since 1970, SP has supported victims of war, poverty, natural disasters, disease, and famine, sharing God's love through Jesus Christ. SP Haiti began operations after the 2010 earthquake, responding in WASH, shelter, livelihood, agriculture, ministry, maternal and child health, nutrition, protection, and education.

#### **Position Summary**

The Health Program Manager will oversee and coordinate all mobile clinic activities, ensuring high-quality healthcare delivery, proper team management, and compliance with medical and organizational standards.

#### **Key Responsibilities**

- Plan, implement, and monitor health projects.
- Supervise medical staff and ensure quality patient care.
- Manage equipment, supplies, and program resources.
- Conduct field assessments and develop appropriate responses.
- Produce timely reports and maintain program documentation.
- Represent Samaritan's Purse with local authorities and partners.

#### **Qualifications**

- Doctor of Medicine (MD) degree with valid license to practice.
- 3–5 years clinical experience (community health or humanitarian settings preferred).
- Strong leadership, supervision, and communication skills.
- Proficiency in Microsoft Office.
- English (spoken and written) preferred.
- Valid driver's license (asset).
- Strong Christian faith and servant's heart.

#### **Working Conditions**

Initials: \_\_\_\_\_

- Frequent travel, sometimes to remote or challenging locations.
- Ability to work under pressure in a mobile clinic environment.

**Reasoning Ability**

Ability to identify and solve practical problems, interpret instructions, and take initiative.  
Competence in data collection, analysis, and reporting.
